OPHON TRIBUTE

to everything
there is
a season

And a time to every purpose
under the heaven:

A time to be born,
And a time to die;
A time to plant,
And a time to pluck up that
which is planted.

A time to kill,
And a time to heal;
A time to break down,
And a time to build up.

A time to seek,
And a time to lose;
A time to keep;
And a time to cast away.

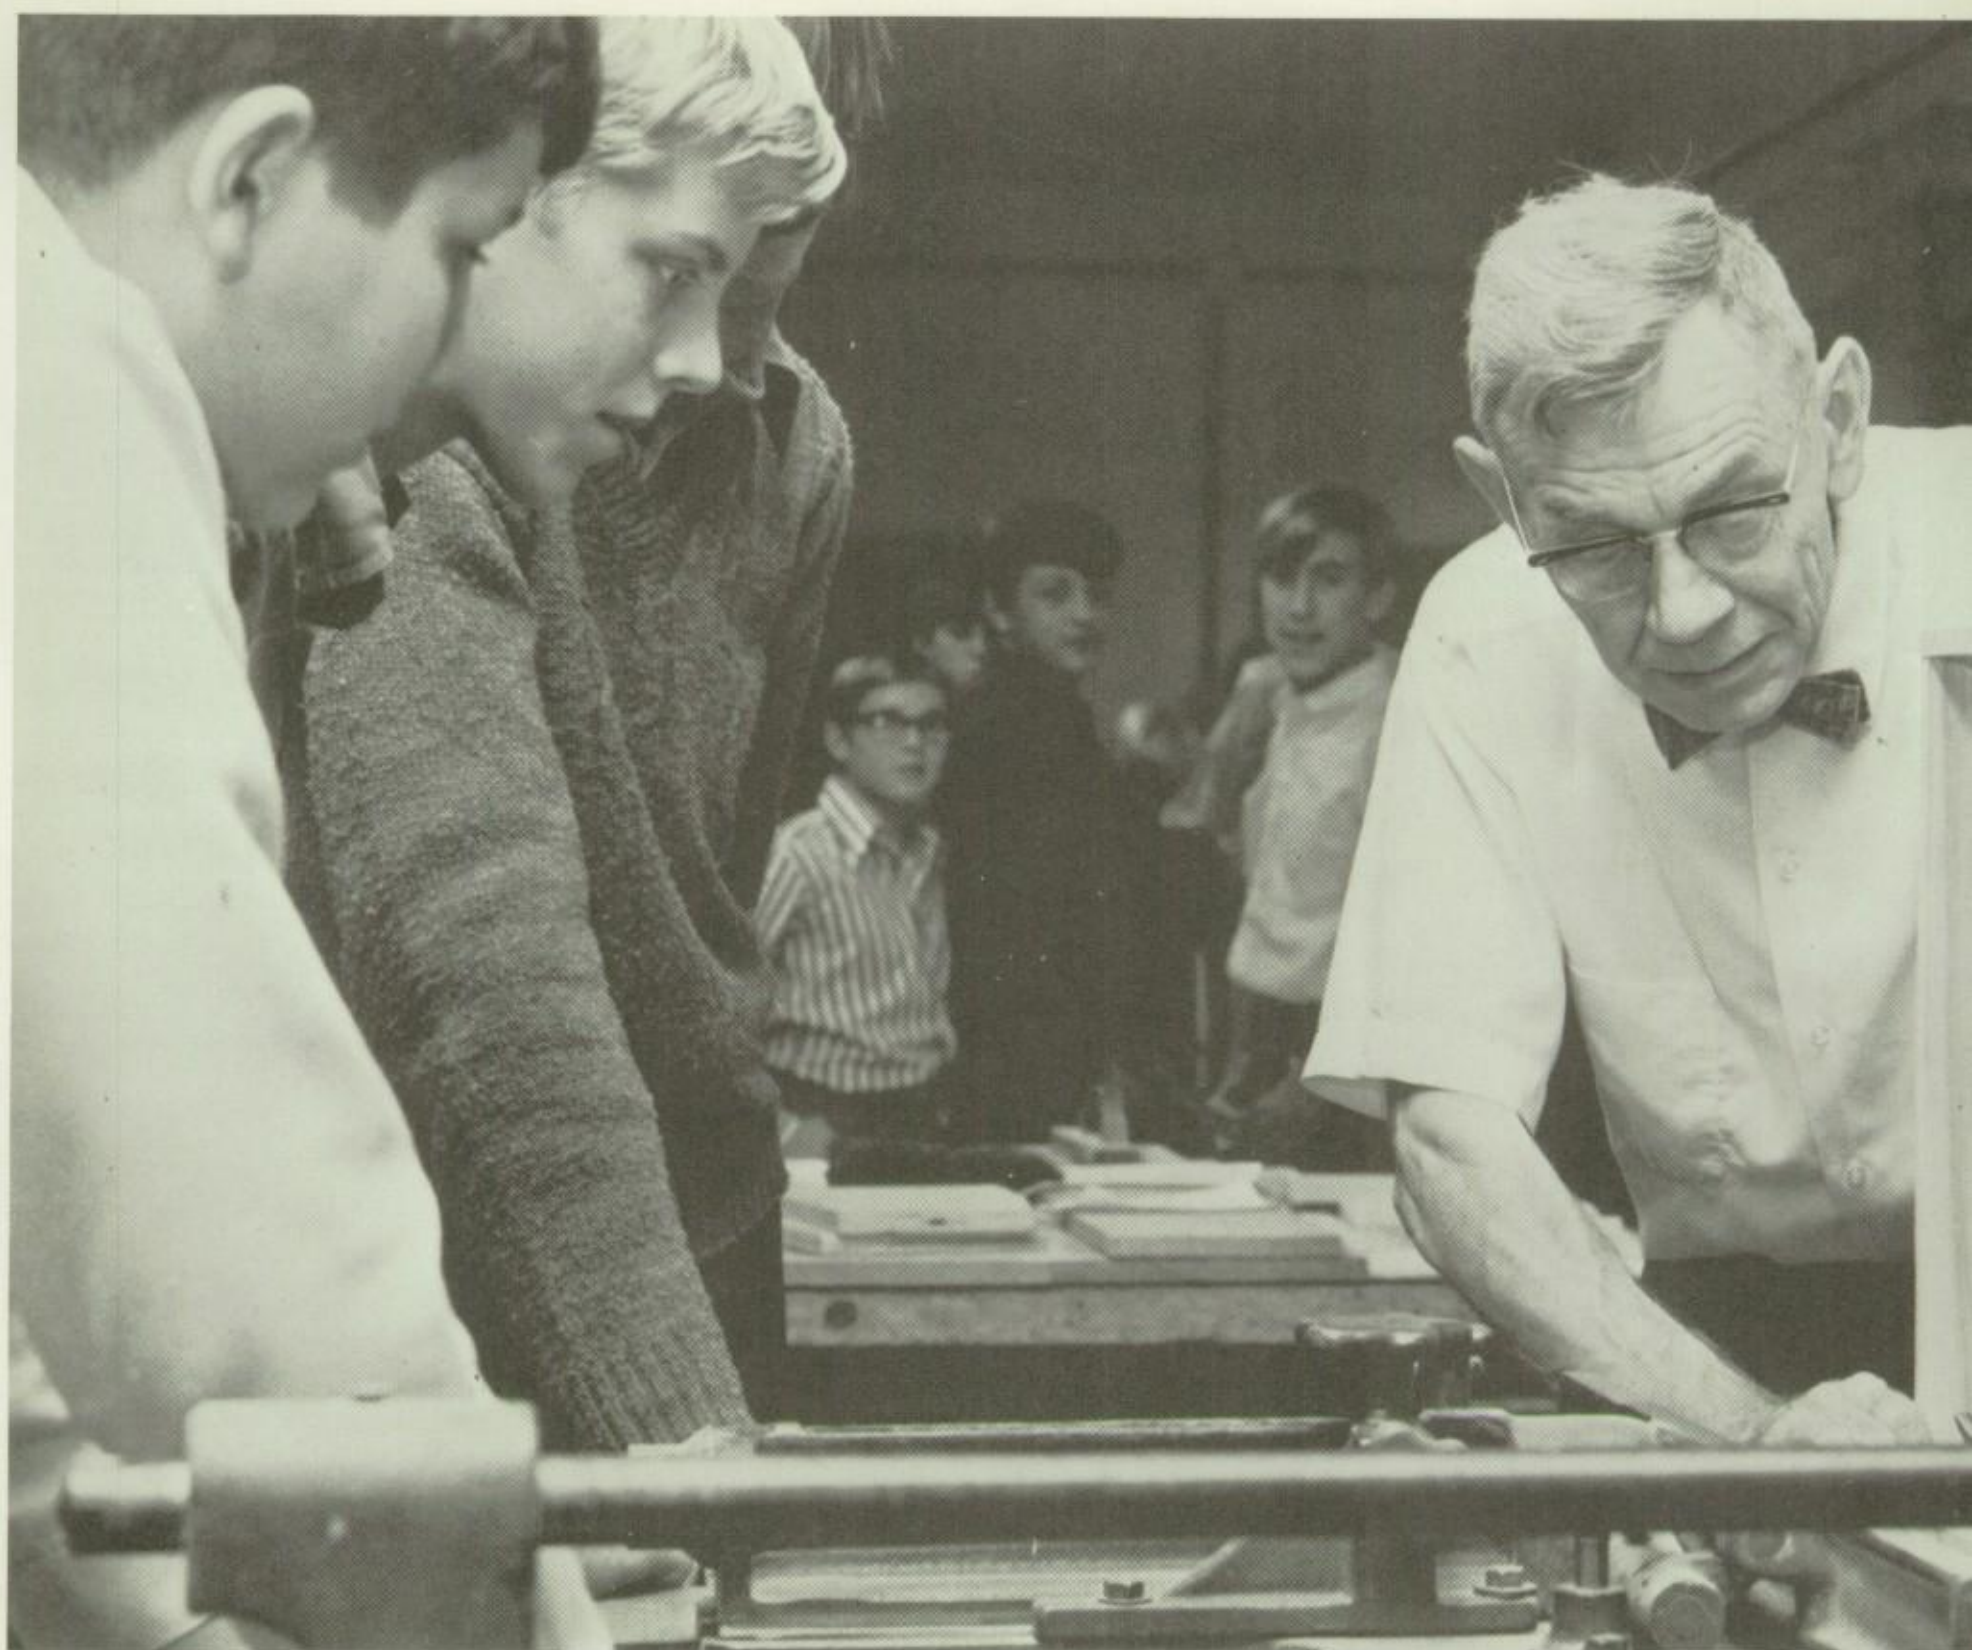

A time to weep,
And a time to laugh;
A time to mourn,
And a time to dance.

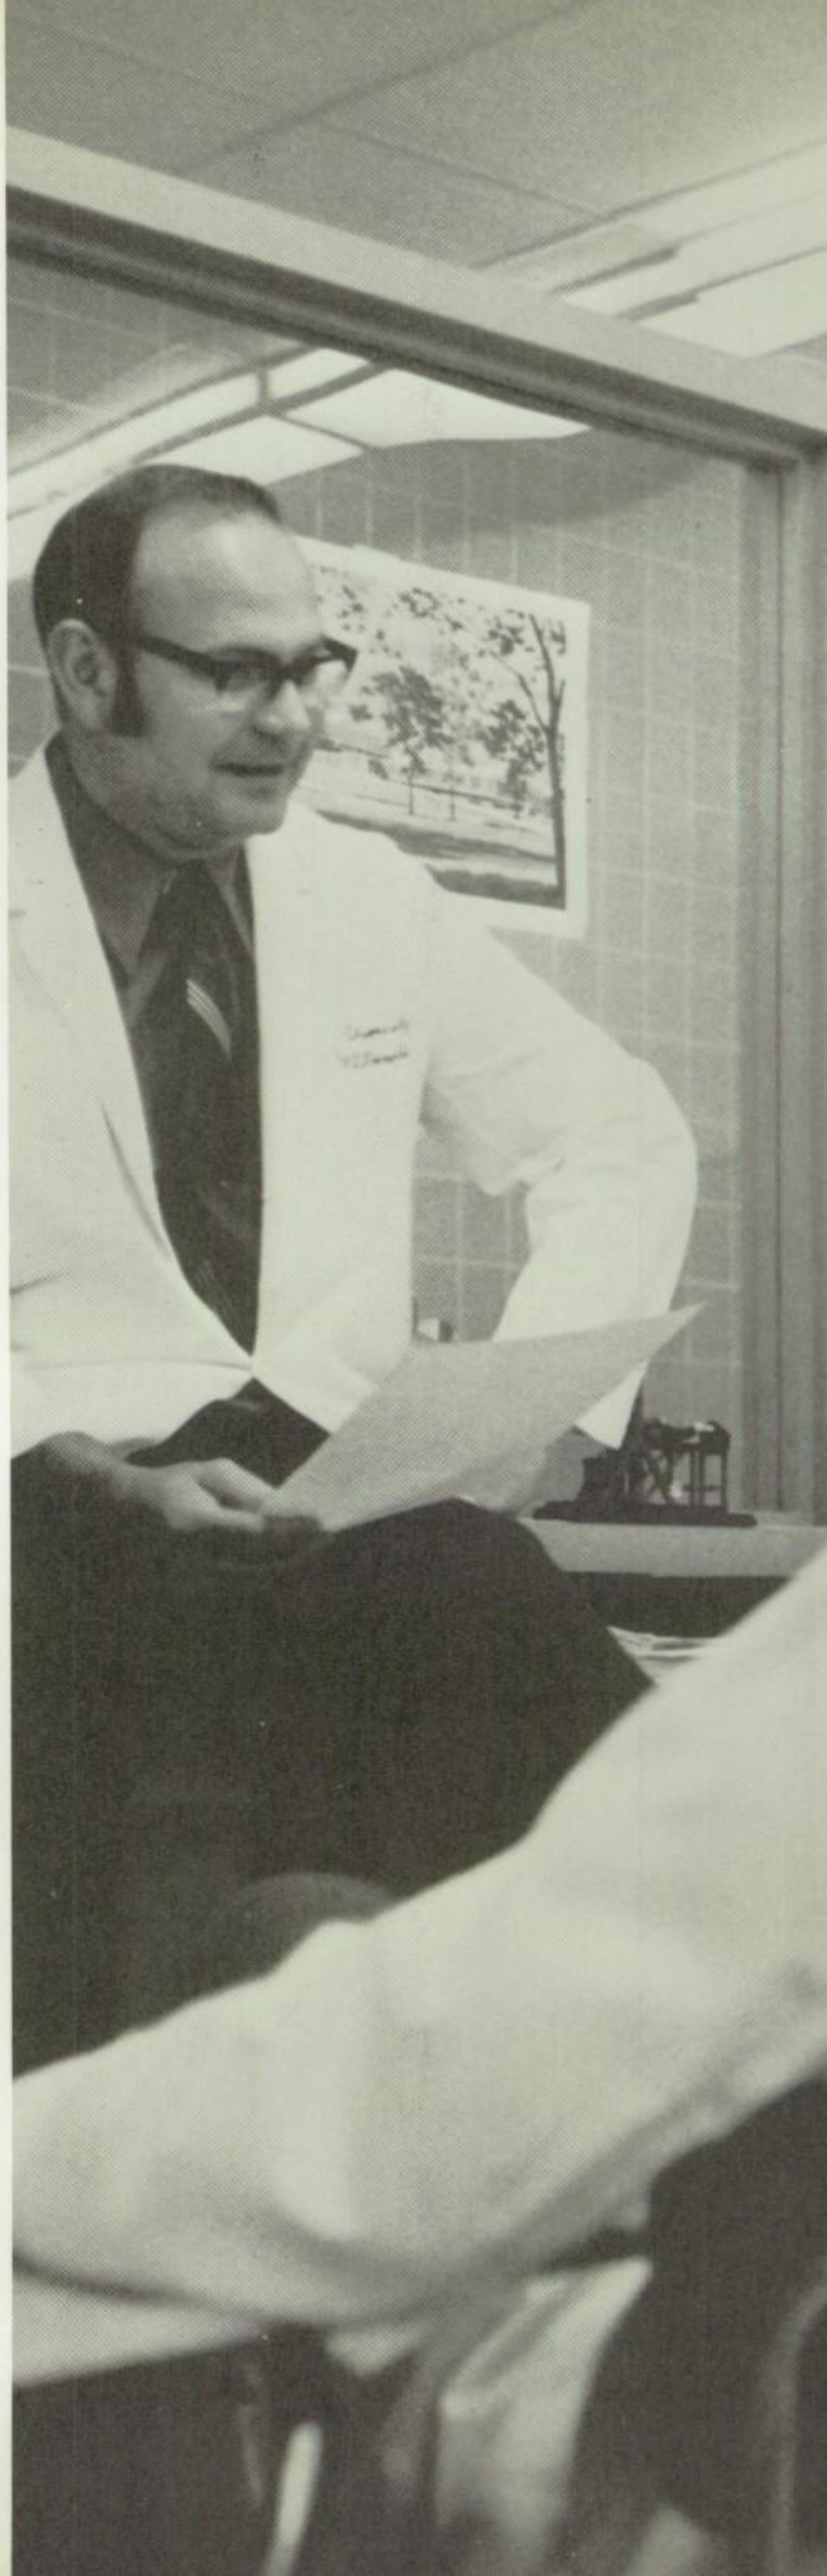

A time to cast away stones,
And a time to gather stones together;
A time to embrace,
And a time to refrain from embracing.

A time to love,
And a time to hate;
A time for war,
And a time for peace;
We swear it's not too late.

student council

Approximately thirty-five students from freshmen to seniors under the leadership of Mr. William Dowling regularly administer the important functions of student council. Their activities run the gamut through a magazine fund raising campaign, dances, concession stands at sporting events, the administration of the Shaner Track Meet, and open forum meetings. Part of the funds realized are applied to the expenses of the Foreign Student Exchange Program. The Executive Committee, led by Bill Restrepo, keeps student council running smoothly.

Mr. Dale Reigel's Hi-Y Club is Wyomissing's official "doer-of-good-deeds." During the brisk winter and fall climate, the club runs a yearly paper drive and collects Christmas trees. It also sponsors dances and camping trips for its members.

Mr. and Mrs. Henry F. Conrad
19 North 3d Avenue
West Reading, Pa.

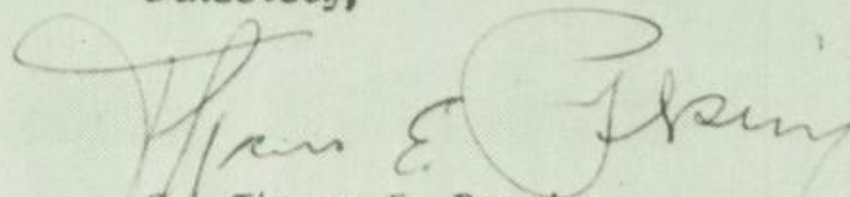

Dear Mr. and Mrs. Conrad:

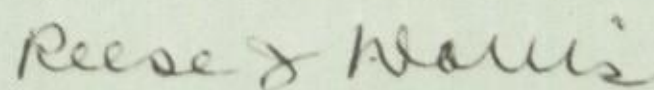

Congratulations on your daughter Louise's election to the Wyomissing Area High School Chapter of the National Honor Society. This election was based on four characteristics: Scholarship, Leadership, Service and Citizenship. Each staff member was eligible to vote by secret ballot.

Louise will be formally inducted into the Society at a special ceremony, to be held at school during the month of March. Since this is one of the highest honors our school may confer on any student, it is truly a pleasure to inform you of this election.

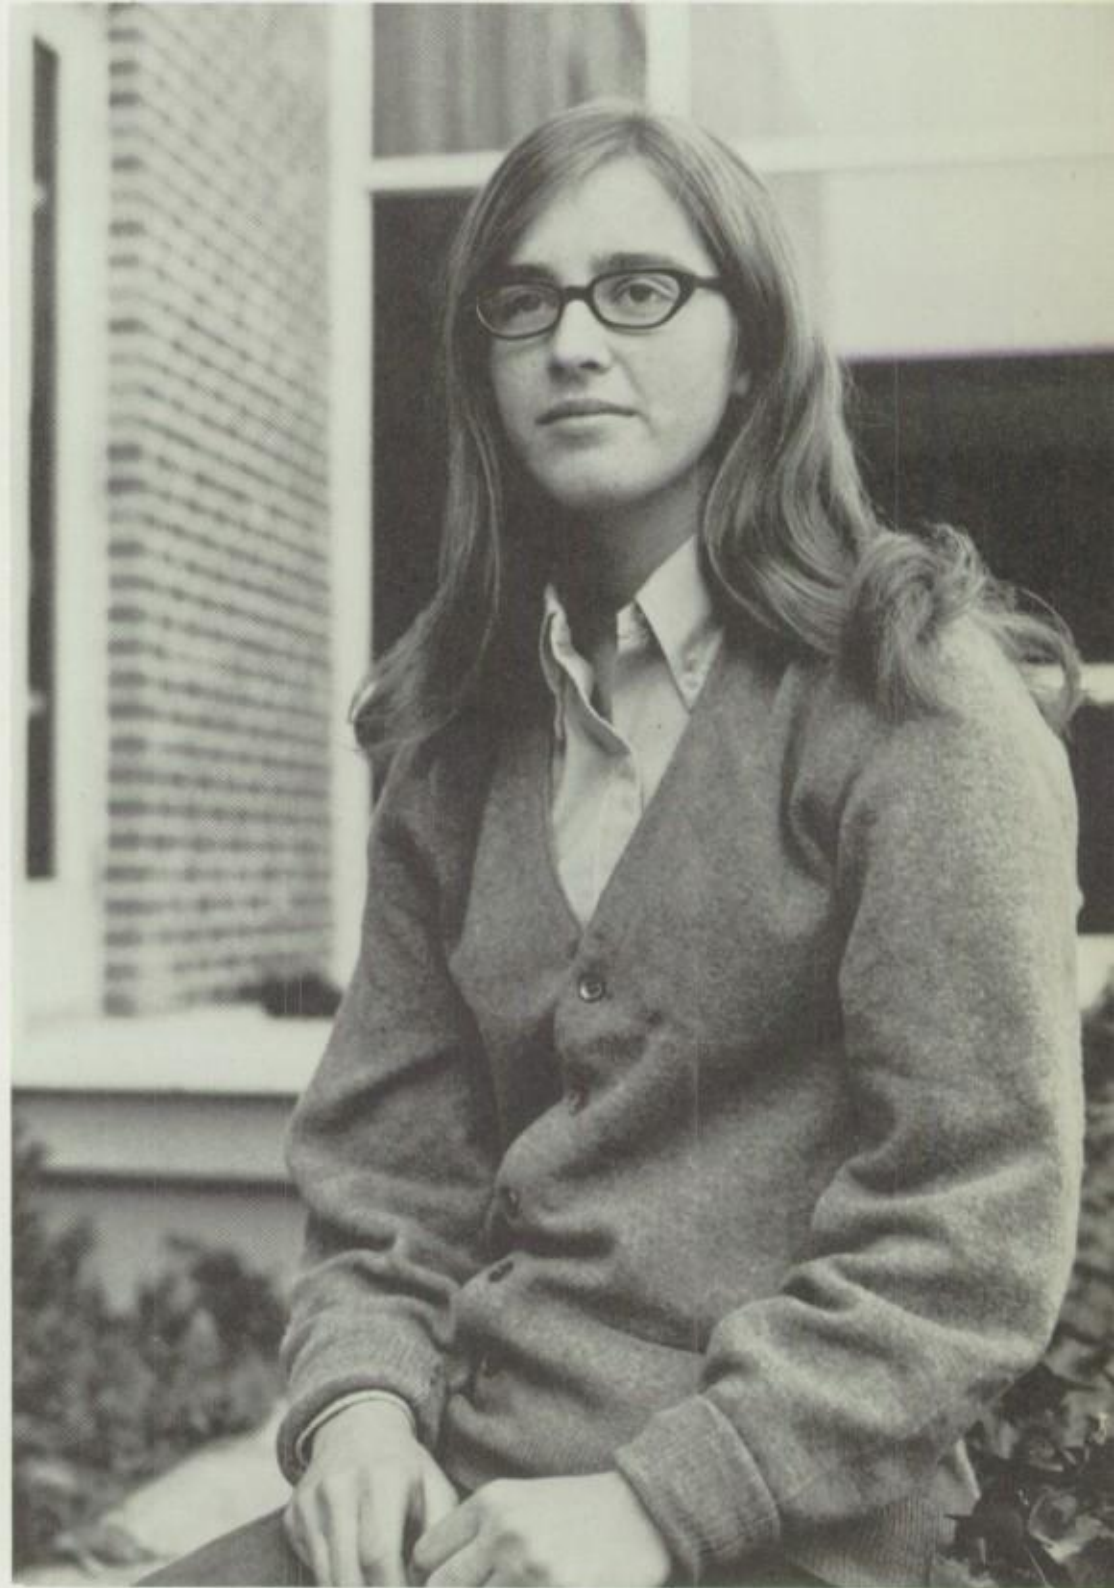

Congratulations again, to you and Louise, on this honorable achievement.

Sincerely,

Dr. Thomas E. Persing

Art Club offers students the opportunity of expressing their creative skills through art. At the same time, active members participate in decorating the school. The main event is the art boutique, held this year December 14-18.

library club

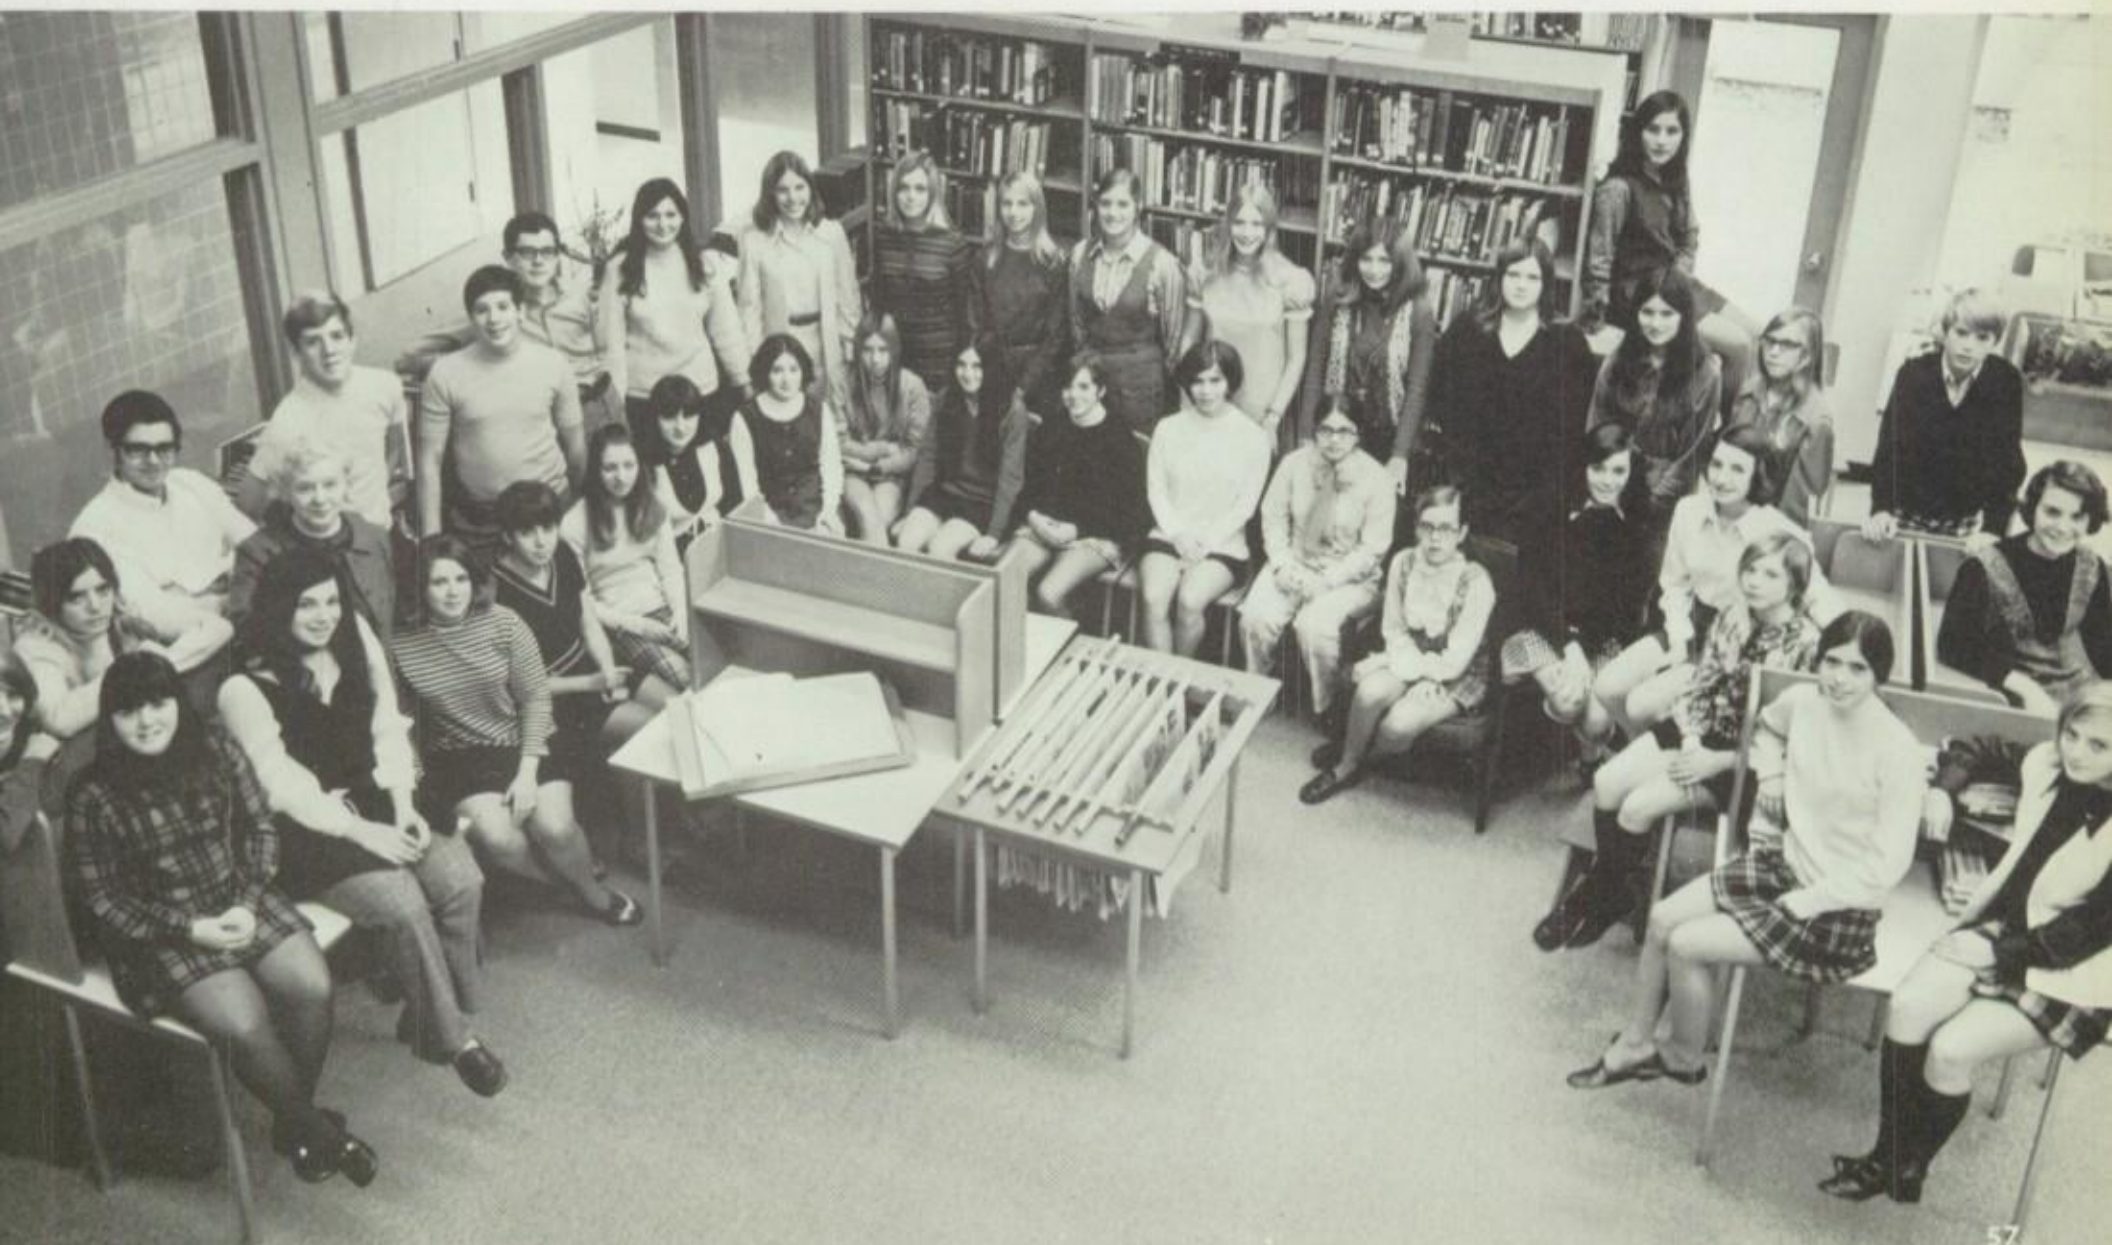

The members of Library Club devote their time to the maintenance of a better library to serve the student body. To raise funds, after school pretzel and snack sales and a dance were held. In late spring the members enjoy field trips.

This year's *Chariot* is directed by Mr. Edwin Vozella. At the beginning of the year, there was enthusiastic response from the students. The goal was set: a newspaper truly representative of student opinion. Toward this goal surveys on current topics were conducted.

publicity committee

Mr. Shirk — *photographer*
Mrs. Heffner — *adviser*
Debbie Lesko — *chairman*
Lois McTague — *reporter*

The Publicity Committee organizes and compiles monthly news concerning activities in the Wyomissing Area School District.

radio club

Wyomissing's newest addition to the activities circle is the Radio Club, advised by Mr. Charles Messer. From a secret room, Wyomissing's hams broadcast goodwill to the ears of such places as Bezdan, Yugoslavia, and Stoneclough, England. Besides sending radio waves all over the globe, the Radio Club also helps its members to learn how to operate transmitters and transceivers, and attain an F.C.C. license.

p.a. announcers

During the morning pre-session and frequently at the termination of period seven, fourteen students man the office public address system in order to broadcast pertinent announcements, club news, *Colophon* schedules, detention culprits, and news from the administration. Before homeroom roll call, the disc jockeys flood the corridors with contemporary records. Those students responsible for the daily broadcasts are: M. Makuch, G. A. Johnston, B. Newman, K. Miller, E. DeStasio, N. Koehler, T. Schuu, S. D'Agostino, L. Rodgers, J. Spangler, P. Pettit, H. March, D. Flowers, and L. Uhl.

exchange students

Liz Farley
Alicia Harrera
Ivan Quijano

Australia
Ecuador
Colombia

Liz Farley enjoys all types of sports, her major being physical education. In Australia she lived on a sheep farm. In Wyomissing she lived with the Mury family. She fitted in very well with life in the Borough.

Alicia Harrera lived with Mr. and Mrs. William Evans in West Reading. Debbie Hafer was her special "sister." While here, she learned some secretarial skills and improved her English.

Ivan Quijano experienced Wyomissing for three months with the Peters family. Most of the time he went around with Steve. Ivan is perhaps reticent, but he is a diligent student.

international student committee

Mrs. Knipe — *adviser*
 Peter Chen — *president*
 Steve Peters — *vice-president*
 Nancy Reber — *secretary*
 Alex Spang — *treasurer*

The International Student Committee attempts to provide a friendly atmosphere for our exchange students. Traditionally its group activities include a dinner at Mrs. Knipe's and a spring tea for all foreign students in Berks County. To raise funds, members manned refreshment stands at two football games and sponsored a dance. The meaning of the club is expressed not only in what it does, but also in what good will each individual shows to the exchange students.

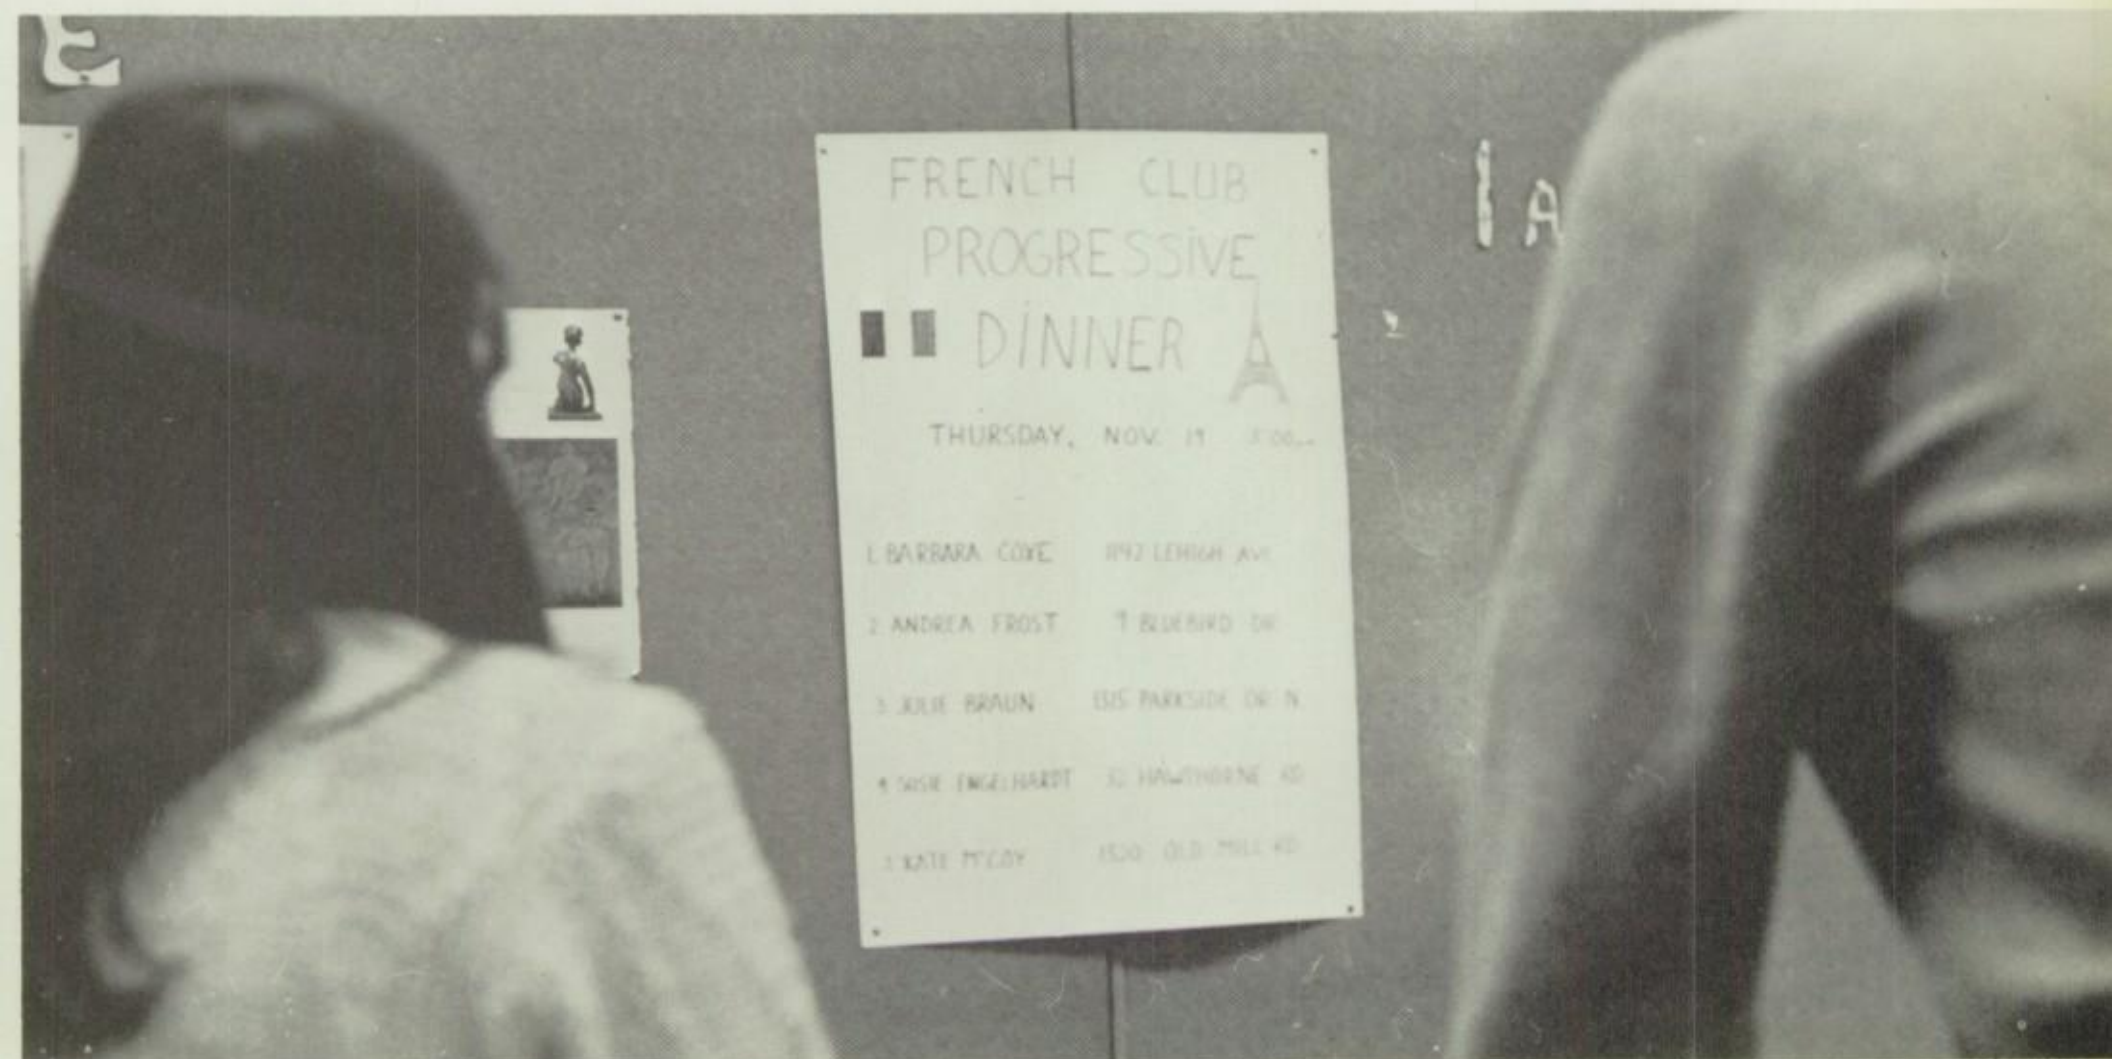

Although the French Club, advised by Mrs. Linda Hersch, did not present its traditional Christmas caroling, it had plenty of other things to do. In the fall, members of the group were guests at their annual progressive dinner, a tradition in which the courses are served at different homes. In the spring the club collects money and travels to New York City, where a Broadway show is the highlight of the trip.

**french

spanish club

The Spanish Club, advised by Mrs. Knipe, attempts to stimulate an interest in Spanish culture by sponsoring monthly meetings. A

highlight of the Year's activities is a Christmas party featuring a piñata. After numerous futile attempts by members of the club, our Colombian exchange student, Ivan, succeeded in breaking the piñata, demonstrating that it takes a native to master Spanish tradition!

Wyomissing's thespians, after having lain dormant for the past year, have awakened under the leadership of a new director, Mr. Charles Jones. In March, the dramatists produced John Patrick's *The Curious Savage*, a comedy-drama taking place in a sanatorium. The plot revolved around an eccentric widow named Mrs. Savage and her three greedy stepchildren, who are insanely trying to persuade their stepmother to reveal the hiding place of ten million dollars' worth of securities.

stage crew

Lights! The lights came on. Somewhere behind the curtains there are students at the controls, responding to every demand from the director. The success of every production depends in part on those members of the stage crew who often toil under most trying circumstances.

media center

Between the library and the LGI is the compact Media Center. Only Mr. Jackson and a few helpers are familiar with every corner of this highly efficient space. From thence the school is supplied with all types of audio-visual needs.

health careers club

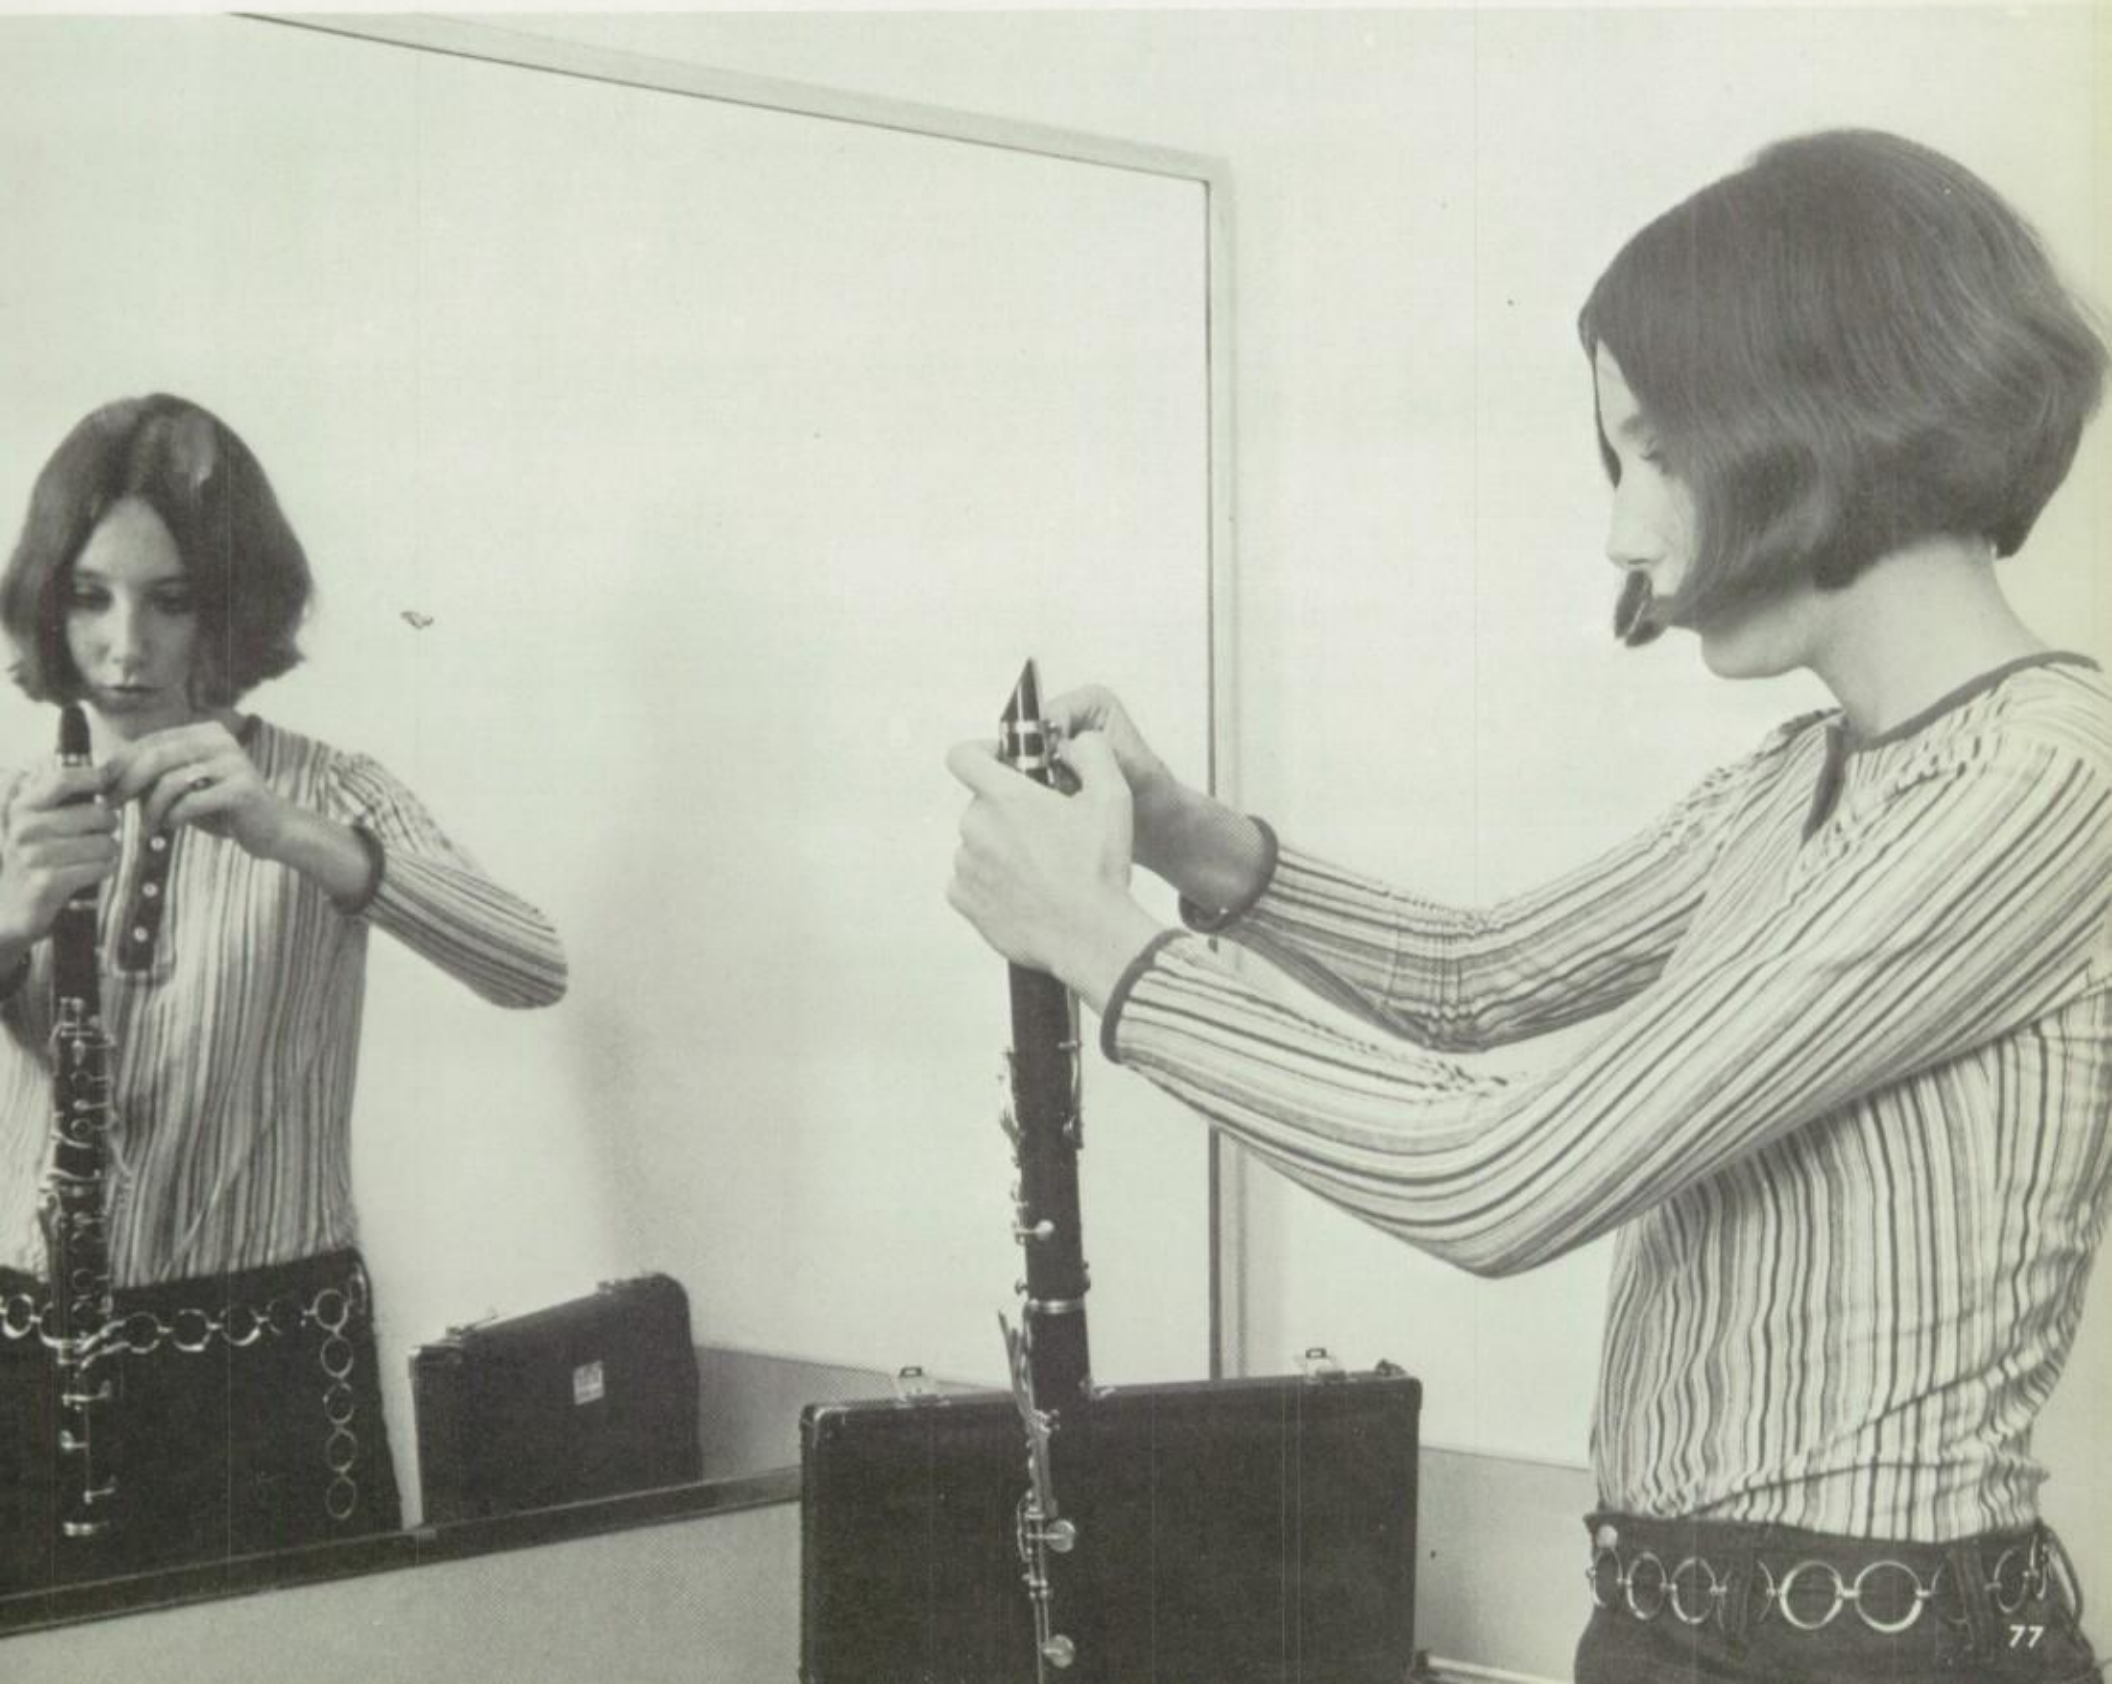

The Health Careers Club is a small, active group whose interest spans the health and medical professions. The members hope to climax the year with a spring trip to the Naval Hospital in Bethesda, Maryland.

The officers are: Karen Kendall, president; Susan Zilber, secretary; Jean Hafer, vice-president; Randi Wolfe, treasurer. Mrs. Knappenburger, school nurse, directs the activities of this organization.

band

Wyomissing's Spartan Band, under the direction of Mr. Wil-
n Deacon, performed exceptionally
well this year. Their enthusiasm
certainly brought school spirit to
its peak.

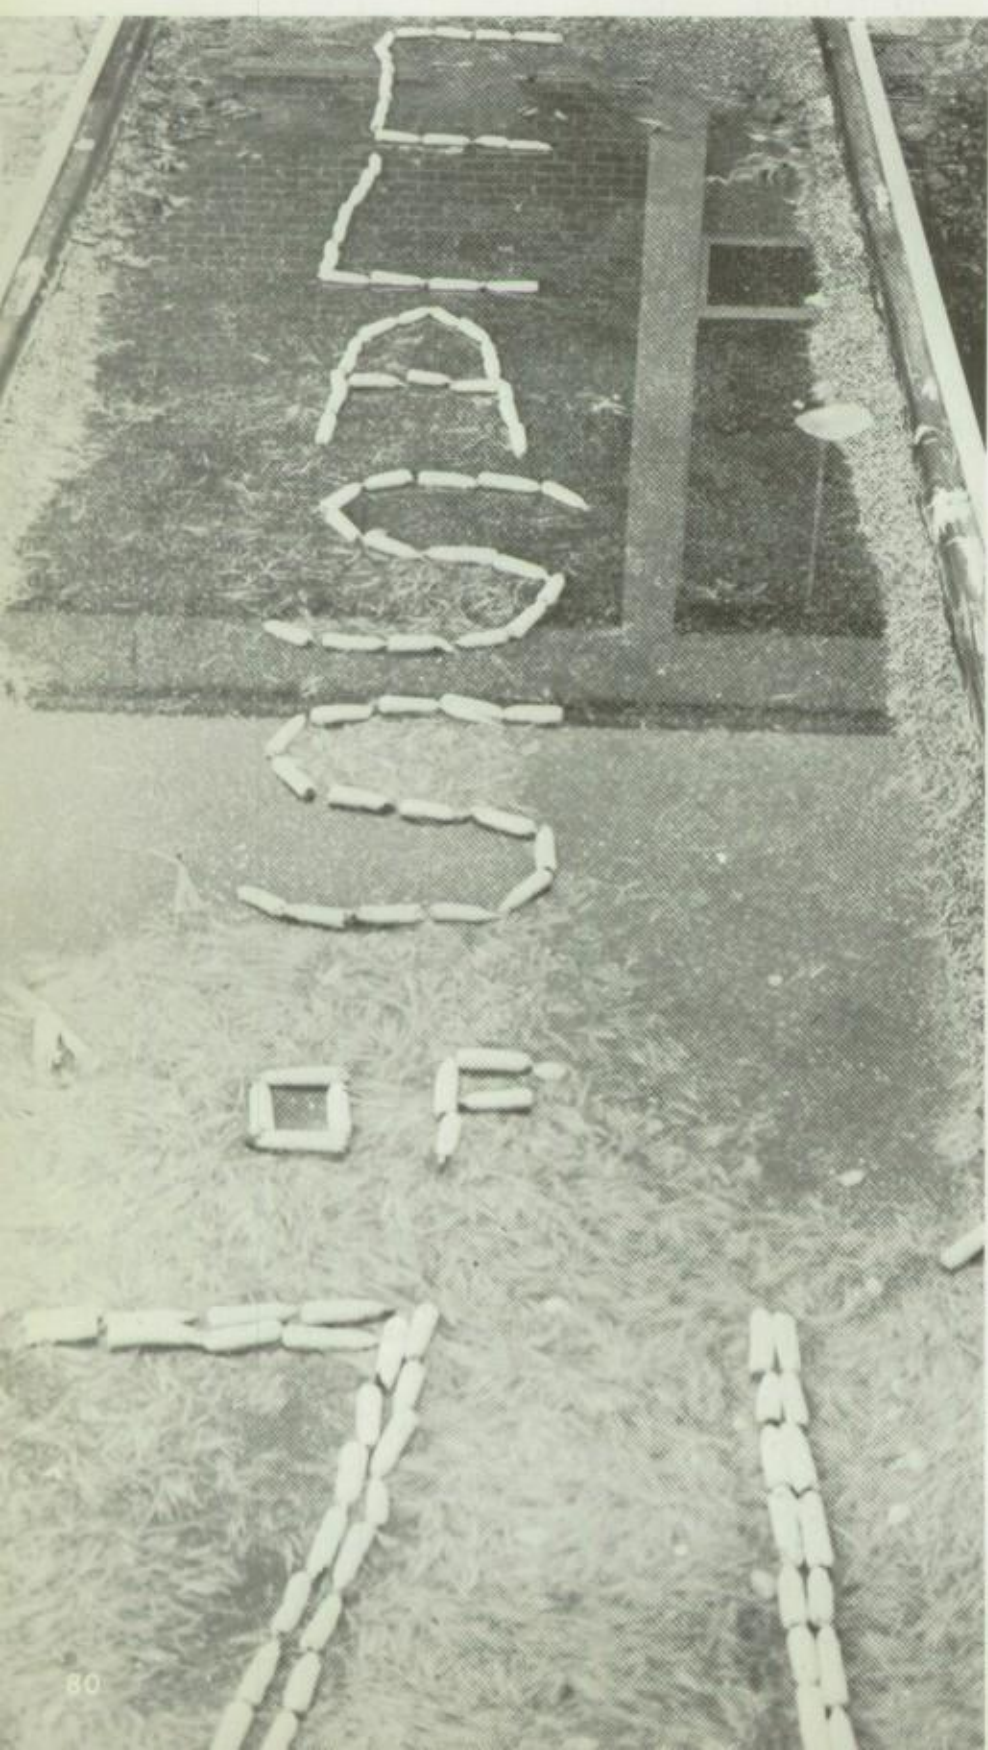

chorus

The chorus has grown under the direction of Mr. C. Russell Cattell. Although the sounds emanating from the music suite have not always been beautiful, (as high B flats are difficult to reach!), the final performance has been worthy. Wyomissing was honored to have Deborah Lesko as a member of the State Chorus.

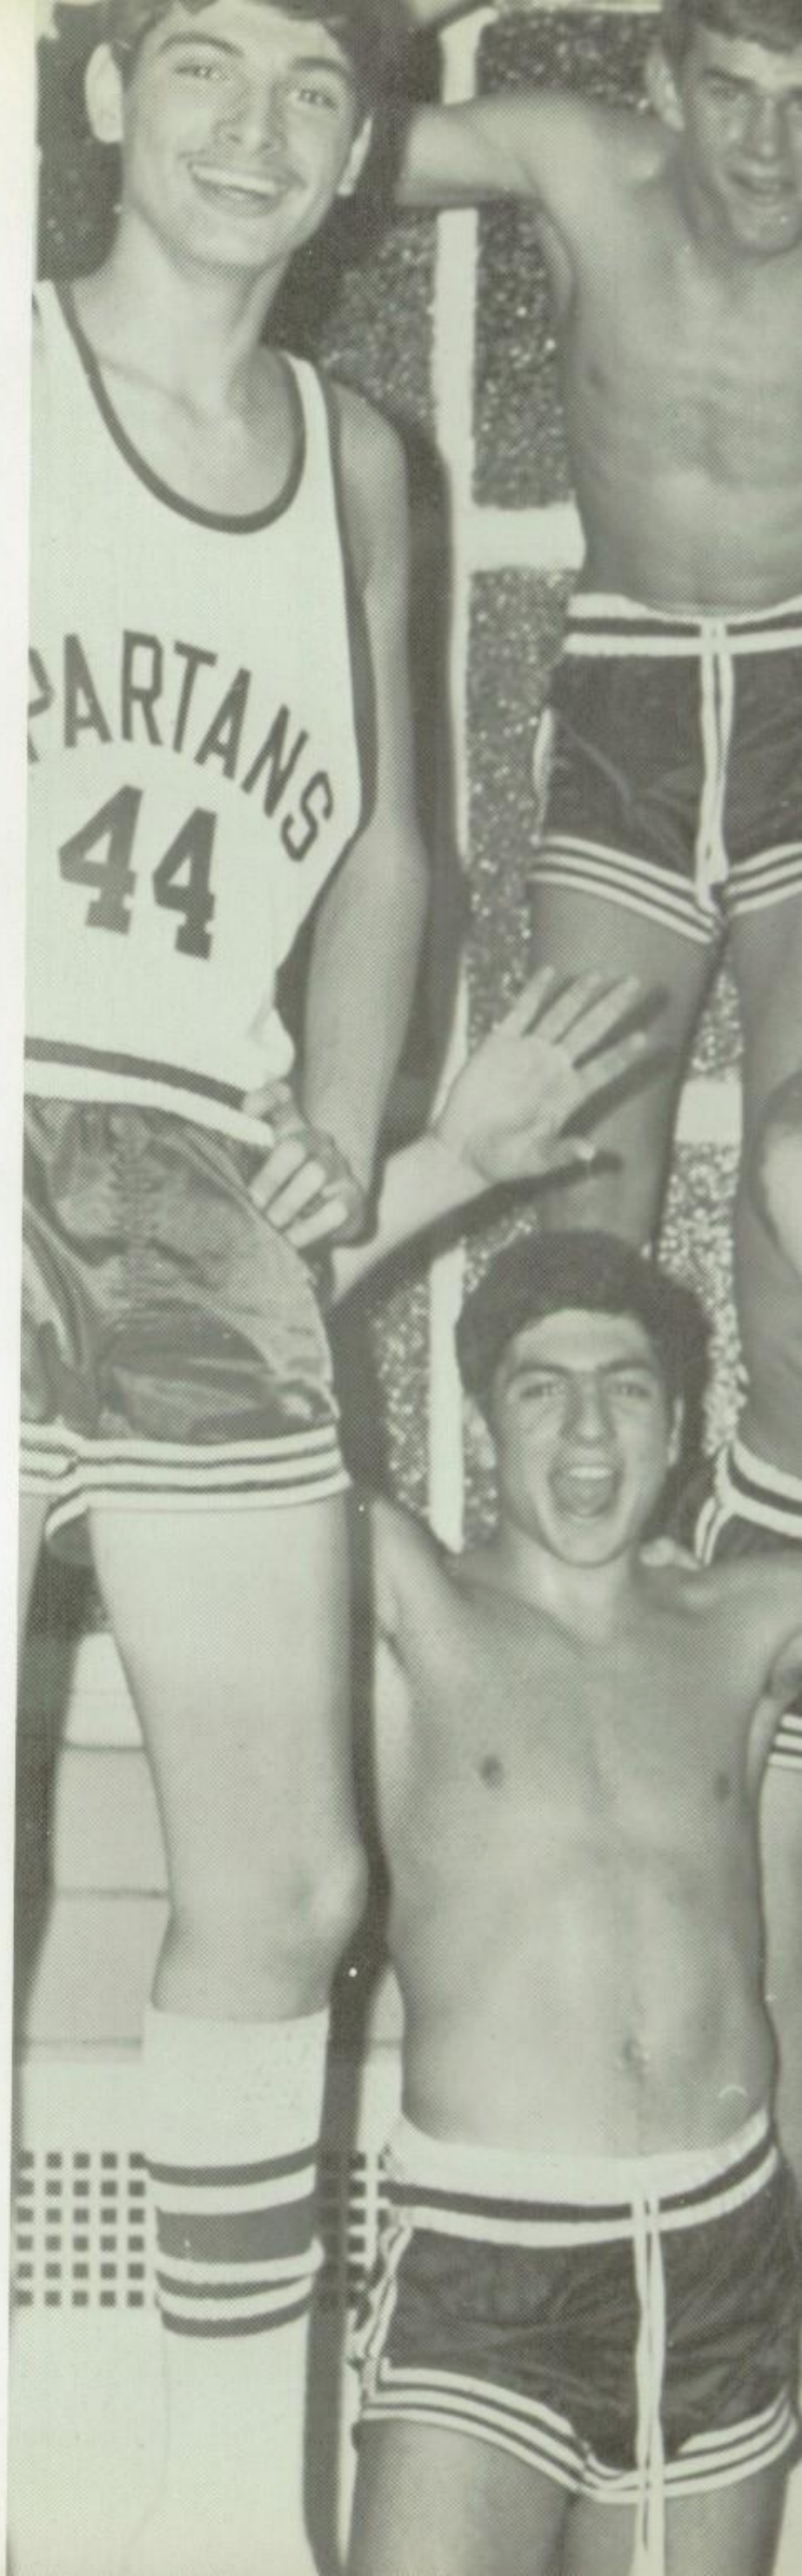

homecoming

This year the 2nd annual Homecoming was sponsored by the cheerleaders. The week preceeding the Homecoming Day, October 24, was designated Spirit Week. Each class was assigned an area of the school for decorations surrounding the theme "A spirit For All Seasons." Shanna Miller, this year's Homecoming queen, reigned over her court and a victorious game. The culmination of Homecoming was a dance sponsored by the cheerleaders.

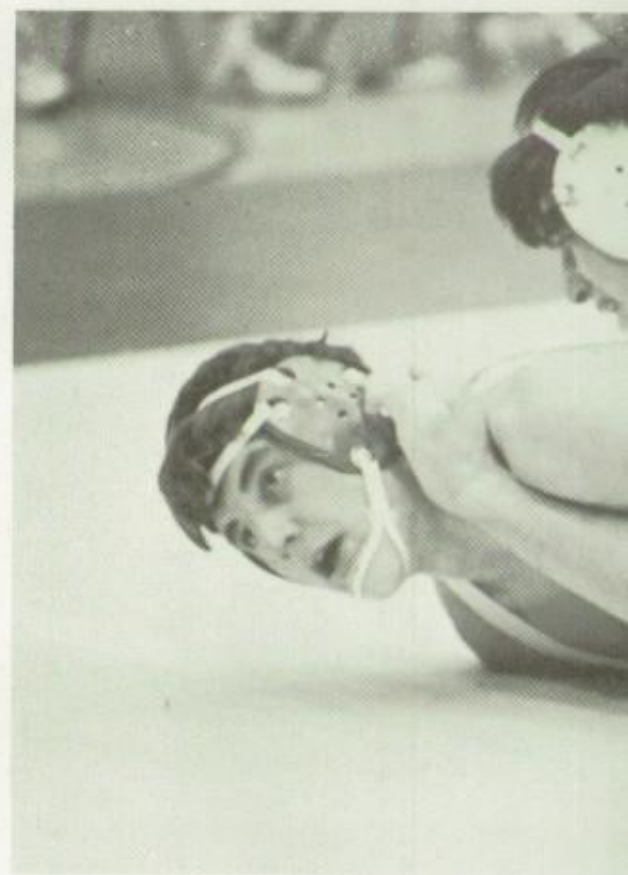

sports
sports
sports

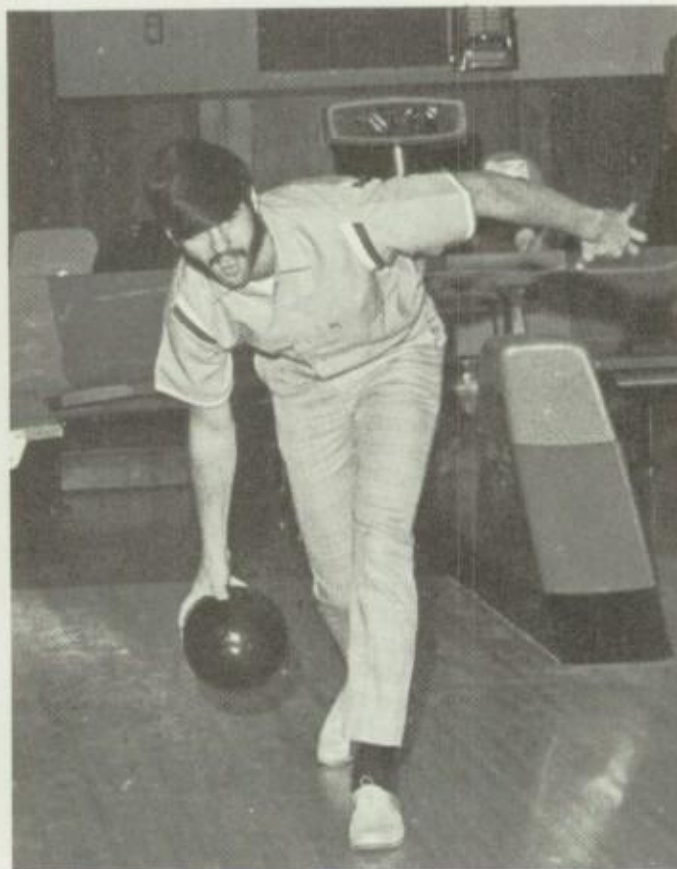

The 1970-71 Spartans have portrayed the essence of athletics in terms of fine quality teams as well as ebullient spirit. With the merger finally consummated, the intrascholastic competition has stepped up as a result of the increased amount of sports enthusiasts. The participants have all striven to better themselves as well as others in order to acquire the desired position. A sincere will has put teams uphill — an idea that the athletes realized, employed, and found advantageous. Spirit is a necessity in effecting the production of a winner — an idea that the students and spectators also utilized heavily and found effective. The third key to this year's success was the "coach." Though one may not understand methods used at times, it must be understood that one's judgment should consider the fruits, not the roots. The fruits of victory have been more than considered this year — they have become a reality.

acknowledgements

The 1971 *Colophon* staff owes a deep debt of gratitude to several men whose time and talent aided us immensely in the production of our *Colophon* project. Mr. D. C. Shirk and Mr. Charles Bell advised us in all matters photographic, and enabled Tim Ness and Hugo Hemmerich to provide us with enough snapshots by deadline time. Mr. Charles Gebensleben helped Alex Spang and Susan Zilber to organize a patron drive which netted sufficient funds to go to press.

Finally, the 1971 *Colophon* staff pays special tribute to Mr. Russell T. Milford, our adviser, to whom goes most of the credit for our having made our copy deadlines.

1971 marks the retirement of four members of the Wyomissing Area High School faculty who have been with us for many years — Mrs. Madeline Knipe, Mr. H. Y. Brubaker, Mr. D. C. Shirk, and Mr. Charles Stauffer. To them — our best regards.

To the ancient Greeks, the "kolophon" was an inscription placed at the end of the manuscript with facts relative to its production. The 1971 *Colophon* staff has attempted to capture the events and the spirit of its senior year at Wyomissing Area High School. We affix this "kolophon" inscription — an identifying symbol of excellence signifying the termination of an accomplished endeavor — in the hope that our yearbook has merited this mark of excellence.
